THE OFFICIAL UNIVERSITY MACE

Sculptor Jeanne L. Stevens-Sollman of Bellefonte, Pennsylvania, designed and crafted the mace and presidential chain of office used in Iowa State University’s formal academic ceremonies. The complementary pair of bronze and silver ceremonial items are on display in the Alumni Center as part of University Museums’ Art on Campus collection.

The mace symbolizes the authority of the university president. The chief faculty marshal carries it at the head of the academic procession and, by placing it on its stand, signals the beginning of the ceremony.

Created in bronze, silver, and tiger maple, Iowa State University’s mace is an interpretation of the campanile. The bronze headpiece features two campus landmarks – the Campanile and Christian Petersen’s Fountain of the Four Seasons—and a silver presidential seal inscribed with “Iowa State University–Science With Practice.” The tiger maple staff bears bronze plaques inscribed with the names of all previous Iowa State presidents and their years of service. The mace is 60 inches long and weighs 14 pounds.

THE PRESIDENTIAL CHAIN OF OFFICE

The presidential chain of office symbolizes the rich history and traditions of Iowa State University. It features an image of the Campanile on the front. On the back is a representation of Beardshear Hall, home to the president’s office. The columns of Beardshear form the shoulder epaulets, inscribed with “leadership” and “service.” The Campanile-inspired links in the presidential collar contain the words “engagement,” “learning,” “discovery,” and “access.” The reverse sides of the bronze sections feature low bas reliefs of corn.

The mace and first presidential chain of office (“Monile Praesidis Maximus”) was commissioned by University Museums and the ISU Alumni Association in 2008. The second presidential chain (“Monile Praesidis Secundum”), a proportionally smaller version commissioned by University Museums in 2018, was supported by an anonymous donor and Carole A. and Roger E. Custer.

ACADEMIC REGALIA

In May 2008, Iowa State University debuted custom-designed doctorate regalia. The special commencement doctorate gowns were created with emblems and colors to reflect Iowa State's tradition and to complement Iowa State's hood. The fabric is cardinal red gabardine with

black velvet panels and chevrons edged with gold cording. The Campanile, a beloved symbol and university tradition, adorns the two front velvet panels. An eight-sided black velvet tam with a gold silk tassel completes the official regalia.

Academic gowns have been part of the university experience since the twelfth century and the advent of the first European universities. Because these early schools were connected to great cathedrals, the black gown of the schoolmasters, or

scholastics, emulated the somber dignity of the clergy and signified a life devoted to learning. In addition, the ample materials of the gown served to keep the scholars warm in the drafty environment of the medieval university.

A confusing array of caps, gowns, and hoods emerged from the centuries in Great Britain and from early years of higher education in the United States. American institutions recognized the need for a standard code and the great majority of academic costumes now worn in the United States are in accordance with the general provisions of the Intercollegiate Code of 1895. This code was slightly revised in 1932 and again in 1959. Under this code, the bachelor's gown has pointed sleeves; the master's

gown has oblong sleeves with an arc at the bottom; and the doctor's gown has bell-shaped sleeves.

The code dictates that bachelor's and master's gowns are untrimmed. However, the doctor's gown is faced down the front with velvet and has three bars of velvet across the sleeves.

The square shape of the scholar's cap or mortarboard is thought to denote the stability of scholars and their books. Candidates for advanced degrees wear black tassels. The following is a list of tassel colors for baccalaureate degree candidates:

Agriculture and Life Sciences – *Maize*

Business – *Drab*

Design – *Brown*

Engineering – *Orange*

Human Sciences – *Maroon*

Liberal Arts and Sciences

Bachelor of Arts – *White*

Bachelor of Liberal Studies – *White*

Bachelor of Music – *Pink*

Bachelor of Science – *Golden Yellow*

Veterinary Medicine – *Gray*

The hood gives color to the academic costume while its length indicates the wearer's academic degree. At Iowa State, hoods are worn by master's and doctorate degree recipients. Hoods were added to the official academic attire of master's degree recipients in May 2018. In general, hoods are made of a wide panel of black cloth, matching the gown and are lined with satin in the official academic colors of the institution awarding the degree.

Iowa State University's colors are cardinal and gold, therefore, the top half of the lining is gold and the lower part is cardinal. The colors used in the edging of hoods and tassels are associated with the discipline.

HOODING CEREMONY, DOCTORATE DEGREES

The Doctor of Philosophy and Doctor of Education are the university's highest academic degrees, awarded only to those who have successfully completed an intensive and demanding course of study whose primary focus is on learning to conduct original research.

The final stage of the program is the preparation and defense of a dissertation that describes the outcome of a major research project. To prepare for that project, the student must have gained expertise and skills in a particular discipline and must have thoroughly explored its existing knowledge base. Those who receive doctorates have demonstrated that they are truly experts in their

fields whose research has contributed significantly to human knowledge.

The hooding ceremony symbolizes their admission to the exclusive ranks of those who have earned the respect associated with the title "Doctor of Philosophy" or "Doctor of Education." During the hooding ceremony, the degree recipients are escorted and hooded by their major professors who have worked with them throughout their study for the doctoral degree. The hoods will connect the graduate with a family of scholars throughout history and from all parts of the world.

SPECIAL RECOGNITION, ADVANCED DEGREES

Candidates for graduation for the Masters, Ph.D., or Ed.D. may be recognized with the Teaching Excellence Award or the Research Excellence Award.

The Teaching Excellence Award recognizes those who provided outstanding contributions in teaching undergraduate students while working toward a graduate degree.

The Research Excellence Award recognizes those with outstanding research accomplishments in a graduate program.

Honorees for both awards wear cardinal and gold honor cords and are noted in this program as follows:

§ Research Excellence Award

†† Teaching Excellence Award

SPECIAL RECOGNITION, UNDERGRADUATE DEGREES

Candidates for undergraduate degrees may be recognized for graduating “With Distinction” and/or graduating in the Honors Program. Levels of special academic achievement are indicated in the commencement program by Latin phrases, also known as Latin honors. This system is recognized internationally; however, the requirements vary among institutions. In the United States, Latin honors are most often awarded to those earning undergraduate degrees. Each academic institution sets its own standards and requirements for each honor.

At Iowa State University, candidates for graduation with distinction must have completed 60 semester credits of coursework at ISU at the time they graduate, including a minimum of 50 graded credits. Those graduating summa cum laude (with highest distinction) have earned a grade point average of 3.90 or higher; magna cum laude (with great distinction) have a grade point average of 3.70 to 3.89; or cum laude (with distinction) have a grade point average 3.50 to 3.69. Grade point averages are based on a 4.00 scale. In addition to the notation in

the commencement program, this recognition appears on the official transcript and diploma.

The University Honors Program is an individually planned program of study designed to provide greater depth and breadth of scholarship than the regular curriculum. Those graduating from the University Honors Program have designed and completed an individualized program of study, including an independent Honors Research Project, while earning a required minimum grade point average or better.

Students graduating with special recognition will wear a cord and/or medallion and will be noted in this program as follows:

*** Summa Cum Laude – with highest distinction
(cardinal and gold cord)

** Magna Cum Laude – with great distinction
(gold cord)

* Cum Laude – with distinction

GRADUATE COLLEGE STUDENT MARSHAL

Nicholas Rye Lamoureux

Hometown: Fargo, North Dakota

Major: Kinesiology

Nick's doctoral scholarship focused on testing enhancements to an evidence-based intervention called Walk with Ease to promote physical activity in older adults. His work has facilitated broader dissemination of the program across the state and helped to justify a new CDC-funded research trial focusing on developing effective fall prevention programming.

While at Iowa State, Nick taught upper division courses in the department, and supported undergraduate students in research. He also worked with ISU faculty in the ISU Translational Research Network and was active in our Preparing Future Faculty Program.

During his five years as a doctoral student at Iowa State, Nick was awarded both the Research Excellence Award and the Teaching Excellence Award through the Graduate College. He was also recognized as an American Kinesiology Association Doctoral Scholar by the Kinesiology

Department.

Nick is currently serving as an assistant professor in the Kinesiology and Sports Sciences Department at the University of Nebraska at Kearney.

University Escort: Gregory Welk, Professor, Department of Kinesiology

GRADUATE COMMENCEMENT VOCALIST & DIRECTOR OF BANDS

Cole Stephenson, Graduate Commencement Vocalist

Cole Stephenson is graduating with a Bachelor of Music degree in Voice. At Iowa State, Cole has performed the role of Carl Olsen in Kurt Weill's Street Scene with the Iowa State Opera Studio and was in the chorus of the Des Moines Metro Opera's 2022 production of Mozart's The Magic Flute. Cole will be working with the Des Moines Metro Opera again this summer as a member of their Apprentice Artist Program. Next fall, Cole will be pursuing a Master of Music degree in Voice at the University of Cincinnati College-Conservatory of Music.

Dr. Michael Golemo, Director of Bands

Michael Golemo has been the Director of Bands at Iowa State University since 1999. From 2005 to 2017, he also served as the Chair for the Department of Music and Theatre. In addition to conducting the Wind Ensemble and the Symphonic Band, he teaches courses in conducting and oversees a program of eleven bands.

A native of Chicago, he received his Bachelor of Music Education and Master of Music degrees from Northwestern University. He completed his doctorate in wind conducting at Michigan State University. He previously served as Assistant Director of Bands at The University of Akron (OH) and prior to that as Director of Bands at Albion College (MI).

With over 400 instrumental arrangements, transcriptions and compositions to his credit, Dr. Golemo has had works performed by a variety of performers and ensembles – from Carnegie Hall to Russia – including Wynton Marsalis, Anita Baker, Simon Estes, the Akron Symphony, and the Des Moines Symphony. He has

arranged music for high school and college marching bands and often writes for the Iowa State University “Cyclone” Marching Band. His music is published by Ludwig Music Publishers, Dorn Publications, Santa Barbara Music Publishers, Alliance Music Publishing, Daehn Publications, C.L. COLLEGE OF VETERINARY MEDICINE COMMENCEMENT SPEAKER

Ruby Perry, Dean of Tuskegee University College of Veterinary Medicine

Dr. Ruby L. Perry is the dean and professor of veterinary radiology at the Tuskegee University College of Veterinary Medicine. She is currently president

of the American Association of Veterinary Medical Colleges (AAVMC), previously served a two-term secretary position on the AAVMC's Board of Directors, member of the AAVMC Minority Serving Institutions Working Group, and Co-Chair of the AVMA-AAVMC Diversity, Equity, and Inclusion Commission. Dr. Perry is a dual graduate of

Tuskegee University where she received her B.S. degree in Animal and Poultry Science and the Doctor of Veterinary Medicine degree. She completed a small animal internship at Tuskegee University and a radiology residency at Michigan State University where she also received the M.S. degree in Microbiology. Dr. Perry decided to remain in academia and expanded her education with the Ph.D. degree in Educational Leadership. She wears the hat of several firsts to include the first alumna to be named both interim dean and dean of a U.S. veterinary school; the first African American female board-certified veterinary radiologist in the American College of Veterinary Radiology, the first veterinary alumna to serve as acting president for Tuskegee University during a former

president's medical leave over a five-month period, and most recently, the first African American woman to now hold the president's position at the AAVMC. Dr. Perry previously also served in several other positions at Tuskegee to include interim chief of staff, vice-provost of undergraduate education, associate dean for academic affairs, assistant veterinary radiology professor, and acting chair of the Department of Small Animal Medicine, Surgery and Radiology. Before returning to Tuskegee, Dr. Perry was on faculty at Michigan State University for 20 years, where she was section chief of veterinary radiology and earned tenure as an associate professor of veterinary radiology. She has served in a variety of leadership positions to include president of the Tuskegee Veterinary Medical Alumni Association, program coordinator for the American College of Veterinary Radiology, and appointed by Gov. Kay Ivey to the Alabama Environmental Management Commission. Dr. Perry has also served on various professional committees and task groups, and advisory roles for many students and student organizations. She has been honored with several awards including the Zoetis Champion of Diversity Award, the 2021 Iverson Bell Award (a AAVMC's Professional Excellence Award Honoree), and most recently, the recipient of the Bridge Club ICON award. Dr. Perry is actively engaged in community service that increases awareness of the veterinary profession and advancing veterinary medical education.

VETERINARY MEDICINE COMMENCEMENT VOCALISTS & DIRECTOR OF BANDS

Kristina Chester and Amber Illescas, Veterinary Medicine Commencement Vocalists

Kristina Chester is originally from Massachusetts, where she received a Bachelor of Arts in English in 2012 from Worcester State University. In her off-

time, she enjoys gardening, cooking, playing the ukulele, and spending time with her Fiancé, Orrin, her dog, Charlie, and three cats Kirk, McCoy, and Buddy. After graduation, she plans to return to Massachusetts and join a small animal veterinary hospital as a general practitioner.

Amber Illescas was born and raised in Los Angeles, California. She has known she wanted to be a veterinarian from a young age and considers graduating

from vet school her biggest accomplishment. Amber will be moving to Illinois with her four dogs to become a small animal emergency veterinarian. While many wonder why she won't be going back to California, the answer is quite clear, she loves the snow.

Dr. Michael Golemo, Director of Bands

Michael Golemo has been the Director of Bands at Iowa State University since 1999. From 2005 to 2017, he also served as the Chair for the Department of Music and Theatre. In addition to conducting the Wind Ensemble and the Symphonic Band, he teaches courses in conducting and oversees a program of eleven bands.

A native of Chicago, he received his Bachelor of Music Education and Master of Music degrees from Northwestern University. He completed his doctorate in wind conducting

at Michigan State University. He previously served as Assistant Director of Bands at The University of Akron (OH) and prior to that as Director of Bands at Albion College (MI).

With over 400 instrumental arrangements, transcriptions and compositions to his credit, Dr. Golemo has had works performed by a variety of performers and ensembles – from Carnegie Hall to Russia – including Wynton Marsalis, Anita Baker, Simon Estes, the Akron Symphony, and the Des Moines Symphony. He has

arranged music for high school and college marching bands and often writes for the Iowa State University “Cyclone” Marching Band. His music is published by Ludwig Music Publishers, Dorn Publications, Santa Barbara Music Publishers, Alliance Music Publishing, Daehn Publications, C.L. Barnhouse Publishing, Great Works Publishing, and Timeworks LLC.

Dr. Golemo stays active nationally and internationally as a guest conductor, clinician, and adjudicator. He has conducted all-state bands in Iowa, Nebraska, Louisiana, Idaho, and New Mexico. He has contributed articles to a variety of journals and publications including The Instrumentalist, The Journal of the Association of Concert Bands, The Podium, The Journal of the North American Saxophone Alliance, and Teaching Music Through Performance in Band.

He has received several notable awards, including the Iowa State University Alumni Association's Superior Service to Alumni Award, the Iowa State College of Liberal Arts & Sciences' Outstanding Achievement in Departmental Leadership Award, and Kappa Kappa Psi's Distinguished Service to Music Medal, which is that organization's highest honor. In 2021, he was awarded the distinguished title of University Professor at Iowa State.

COMMENCEMENT SPEAKER, AND HONORARY DEGREE RECIPIENT, DOCTOR OF SCIENCE

Temple Grandin, Professor of Animal Science at Colorado State University

Temple Grandin is a Professor of Animal Science at Colorado State University. Facilities she has designed for handling livestock are used by many companies around the world. She has also been instrumental in implementing animal welfare auditing programs that are used by McDonalds, Wendy's, Whole Foods, and other corporations. Temple has appeared on numerous TV shows such as 20/20 and Prime Time. Her books include: Thinking in Pictures, Livestock Handling and Transport, and The Autistic Brain. Her books Animals in Translation and Visual Thinking have been on the New York Times Bestseller List. Temple was inducted into the National Women's Hall of Fame in September 2017 and in 2022 was named a Colorado State University Distinguished Professor. An HBO movie that won five Emmy's was made

about Temple's life. Dr. Grandin had no speech until age four, and she is autistic. Her mother encouraged her ability in art, and she had many good teachers and mentors. Mr. Carlock, her high school science teacher, got her motivated to study hard, so she could become a scientist. Temple started her livestock career in Arizona, and she became the livestock editor for the state's farm magazine. When she started her design work on cattle handling facilities, Temple used a portfolio of drawings and photographs of completed projects to sell her work. Showing a portfolio of work is one of the best ways for a socially awkward autistic person to get employment. Temple received her Ph.D. in Animal Science from the University of Illinois, and she is now teaching classes on livestock handling and doing research at Colorado State University. She has used money earned from both books and speaking engagements to pay for scholarships for over 20 graduate students in Animal Science. Her students have conducted research in a variety of subjects ranging from cattle temperament and weight gain, to visual perception of horses, and stress in shelter dogs.

UNDERGRADUATE COMMENCEMENT VOCALIST & DIRECTOR OF BANDS

Cole Stephenson, Undergraduate Commencement Vocalist

Cole Stephenson is graduating with a Bachelor of Music degree in Voice. At Iowa State, Cole has performed the role of Carl Olsen in Kurt Weill's Street Scene with the Iowa State Opera Studio and was in the chorus of the Des Moines Metro Opera's 2022 production of Mozart's The Magic Flute. Cole will be working with the Des Moines Metro Opera again this summer as a member of their Apprentice Artist Program. Next fall, Cole will be pursuing a Master of Music degree in Voice at the University of Cincinnati College-Conservatory of Music.

Dr. Michael Golemo, Director of Bands

Michael Golemo has been the Director of Bands at Iowa State University since 1999. From 2005 to 2017, he also served as the Chair for the Department of Music and Theatre. In addition to conducting the Wind Ensemble and the Symphonic Band, he teaches courses in conducting and oversees a program of eleven bands. A native of Chicago, he received his Bachelor of Music Education and Master of Music degrees from Northwestern University. He completed his doctorate in wind conducting at Michigan State University. He previously served as Assistant Director of Bands at The University of Akron (OH) and prior to that as Director of Bands at Albion College (MI).

With over 400 instrumental arrangements, transcriptions and compositions to his credit, Dr. Golemo has had works performed by a variety of performers and ensembles – from Carnegie Hall to Russia – including Wynton Marsalis, Anita Baker, Simon Estes, the Akron Symphony, and the Des Moines Symphony. He has

arranged music for high school and college marching bands and often writes for the Iowa State University “Cyclone” Marching Band. His music is published by Ludwig Music Publishers, Dorn Publications, Santa Barbara Music Publishers, Alliance Music Publishing, Daehn Publications, C.L. Barnhouse Publishing, Great Works Publishing, and Timeworks LLC.

Dr. Golemo stays active nationally and internationally as a guest conductor, clinician, and adjudicator. He has conducted all-state bands in Iowa, Nebraska, Louisiana, Idaho, and New Mexico. He has contributed articles to a variety of journals and publications including The Instrumentalist, The Journal of the Association of Concert Bands, The Podium, The Journal of the North American Saxophone Alliance, and Teaching Music Through Performance in Band.

He has received several notable awards, including the Iowa State University Alumni Association's Superior Service to Alumni Award, the Iowa State College of Liberal Arts & Sciences' Outstanding Achievement in Departmental Leadership Award, and Kappa Kappa Psi's Distinguished Service to Music Medal, which is that organization's highest honor. In 2021, he was awarded the distinguished title of University Professor at Iowa State.

POSTHUMOUS DEGREE RECIPIENT

Derrius Taylor-Ly

Major: Marketing

Minor: Entrepreneurship

Hometown: Ames, Iowa

Derrius Taylor-Ly is honored today with a posthumous bachelor's degree from Iowa State University in

Marketing and a minor in Entrepreneurship. On February 5, he was tragically killed by a reckless driver. Derrius's college graduation was to be nothing short of a miracle. He was the son of a teen mother and an absent father. He had an IEP and always struggled in school, but he was determined to be the second in his family to graduate college, behind his brother.

The world will miss Derrius's huge personality, big smile, and dance cameos in his sister's Tik Toks. He lived life with no filter, always making inappropriate jokes. He loved big and wasn't shy to show it, especially to his mom and (step)dad. Derrius loved to draw, paint, create, and talk about music or anime with his brother.

Most of all, he was proud to be a Cyclone and wear cardinal and gold. Congratulations on your graduation, Derrius.

SENIOR CLASS COUNCIL

The mission of the Senior Class Council (SCC), a committee of the Student Alumni Leadership Council (SALC), is to benefit and unite seniors through events and services while promoting an understanding of the Iowa State University Alumni Association. The 2022-2023 Senior Class Council is comprised of students who are dedicated to recognizing seniors for their many achievements.

The Senior Class Council plans a number of programs for seniors including both Fall and Spring Senior Weeks where students enjoy food on campus; the Senior Package,

a gift set that included commemorative Iowa State items; and the Senior Send-off, a year-end event for seniors at the ISU Alumni Center to celebrate seniors' transitions to being alumni! The events that SCC plans and co-sponsors are intended to be both beneficial and enjoyable for seniors.

For more information on SCC and SALC programs, please visit www.isusalc.org.

THE HISTORY OF "THE BELLS OF IOWA STATE"

Iowa State University Library
Special Collections Department

James C. Wilson (1900-1995) was a member of Iowa State's English faculty from 1928 to 1931. He had to resign due to his lack of a Ph.D., and prior to his departure, he submitted a college song candidate for a song contest sponsored by the Iowa State Club of Chicago.

Jim and his wife, Alice, moved to Chicago where as he notes, "We (in addition to their two babies) had \$212 in cash from my last paycheck, our five-year-old Chevrolet, and the tent." He won first place with "The Bells of Iowa State," and the family was able to purchase a small cottage on Lake Michigan.

"When I wrote 'The Bells of Iowa State,' I thought then that it had much more depth and emotion than your basic football fight song," Wilson said. "Its continuing popularity leaves me very pleased, not so much because it's my own song, but because it has had such a good effect on those who have been touched by it." (The Iowa Stater, June 1983)
