

SPRING 2021 COMMENCEMENT

IOWA STATE UNIVERSITY

Dear Iowa State University Graduates and Guests:

Congratulations to all of the Spring 2021 graduates of Iowa State University!

Welcome to Iowa State University's Spring 2021 Commencement. Congratulations to all of the graduates, and thank you to everyone who played a role in their successful journey through Iowa State.

Commencement is an opportunity to reflect on what you have learned and to celebrate your achievements. Every single graduate has been a valued and important member of the Iowa State community. We are a better university because of the diverse, positive contributions you have made during your time here. We thank you for the many ways you have enhanced our campus – both inside and outside the classroom, and we wish you the very best as you begin your next chapter.

Iowa State is now in its 163rd year as the state's only land-grant university. We are proud to be one of the most student-centered public research institutions in the country. Through our distinct mission of education, research, and extension, Iowa State is preparing students for fulfilling careers and lives and for meeting the needs of society. Iowa State graduates will become the professionals, entrepreneurs, and leaders of our state, nation, and world; and their future accomplishments will reflect the exceptional quality of this university. As you graduate today, we thank you for being a part of this wonderful tradition and for supporting Iowa State's legacy of excellence.

I hope you enjoy today's commencement ceremony, and that you will continue to be connected with Iowa State University. We wish you great success and happiness.

Sincerely,

A handwritten signature in black ink that reads "Wendy Wintersteen". The signature is written in a cursive, flowing style.

*Wendy Wintersteen
President of the University*

THE OFFICIAL UNIVERSITY MACE

Sculptor Jeanne L. Stevens-Sollman of Bellefonte, Pennsylvania, designed and crafted the mace and presidential chain of office used in Iowa State University's formal academic ceremonies. The complementary pair of bronze and silver ceremonial items are on display in the Alumni Center as part of University Museums' Art on Campus collection.

The mace symbolizes the authority of the university president. The chief faculty marshal carries it at the head of the academic procession and, by placing it on its stand, signals the beginning of the ceremony.

Created in bronze, silver, and tiger maple, Iowa State University's mace is an interpretation of the campanile. The bronze headpiece features two campus landmarks – the Campanile and Christian Petersen's Fountain of the Four Seasons—and a silver presidential seal inscribed with "Iowa State University—Science With Practice." The tiger maple staff bears bronze plaques inscribed with the names of all previous Iowa State presidents and their years of service. The mace is 60 inches long and weighs 14 pounds.

THE PRESIDENTIAL CHAIN OF OFFICE

The presidential chain of office symbolizes the rich history and traditions of Iowa State University. It features an image of the Campanile on the front. On the back is a representation of Beardshear Hall, home to the president's office. The columns of Beardshear form the shoulder epaulets, inscribed with "leadership" and "service." The Campanile-inspired links in the presidential collar contain the words "engagement," "learning," "discovery," and "access." The reverse sides of the bronze sections feature low bas reliefs of corn.

The mace and first presidential chain of office ("Monile Praesidis Maximus") was commissioned by University Museums and the ISU Alumni Association in 2008. The second presidential chain ("Monile Praesidis Secundum"), a proportionally smaller version commissioned by University Museums in 2018, was supported by an anonymous donor and Carole A. and Roger E. Custer.

ACADEMIC REGALIA

In May 2008, Iowa State University debuted custom-designed doctorate regalia. The special commencement doctorate gowns were created with emblems and colors to reflect Iowa State's tradition and to complement Iowa State's hood. The fabric is

cardinal red gabardine with black velvet panels and chevrons edged with gold cording. The Campanile, a beloved symbol and university tradition, adorns the two front velvet panels. An eight-sided black velvet tam with a gold silk tassel completes the official regalia.

Academic gowns have been part of the university experience since the twelfth century and the advent of the first European universities. Because these early schools were connected to great cathedrals, the black gown of the schoolmasters, or scholastics, emulated the somber dignity of the clergy and signified a life devoted to learning. In addition, the ample materials of the gown served to keep the scholars warm in the drafty environment of the medieval university.

A confusing array of caps, gowns, and hoods emerged from the centuries in Great Britain and from early years of higher education in the United States. American institutions recognized the need for a standard code and the great majority of academic costumes now worn in the United States are in accordance with the general provisions of the

Intercollegiate Code of 1895. This code was slightly revised in 1932 and again in 1959. Under this code, the bachelor's gown has pointed sleeves; the master's gown has oblong sleeves with an arc at the bottom; and the doctor's gown has bell-shaped sleeves.

The code dictates that bachelor's and master's gowns are untrimmed. However, the doctor's gown is faced down the front with velvet and has three bars of velvet across the sleeves.

The square shape of the scholar's cap or mortarboard is thought to denote the stability of scholars and their books. Candidates for advanced degrees wear black tassels. The following is a list of tassel colors for baccalaureate degree candidates:

- Agriculture and Life Sciences – *Maize*
- Business – *Nugget*
- Design – *Brown*
- Engineering – *Orange*
- Human Sciences – *Maroon*
- Liberal Arts and Sciences
 - Bachelor of Arts – *White*
 - Bachelor of Liberal Studies – *White*
 - Bachelor of Music – *Pink*
 - Bachelor of Science – *Golden Yellow*
- Veterinary Medicine – *Gray*

The hood gives color to the academic costume while its length indicates the wearer's academic degree. At Iowa State, hoods are worn by master's and doctorate degree recipients. Hoods were added to the official academic attire of master's degree recipients in May 2018. In general, hoods are made of a wide panel of black cloth, matching the gown and are lined with satin in the official academic colors of the institution awarding the degree.

Iowa State University's colors are cardinal and gold, therefore, the top half of the lining is gold and the lower part is cardinal. The colors used in the edging of hoods and tassels are associated with the discipline.

HOODING CEREMONY, DOCTOR OF PHILOSOPHY

The Doctor of Philosophy is the university's highest academic degree, awarded only to those who have successfully completed an intensive and demanding course of study whose primary focus is on learning to conduct original research.

The final stage of the program is the preparation and defense of a dissertation that describes the outcome of a major research project. To prepare for that project, the student must have gained expertise and skills in a particular discipline and must have thoroughly explored its existing knowledge base. Those who receive doctorates have demonstrated that

they are truly experts in their fields whose research has contributed significantly to human knowledge.

The hooding ceremony symbolizes their admission to the exclusive ranks of those who have earned the respect associated with the title "Doctor of Philosophy." During the hooding ceremony, the degree recipients are escorted and hooded by their major professors who have worked with them throughout their study for the doctoral degree. The hoods will connect the graduate with a family of scholars throughout history and from all parts of the world.

SPECIAL RECOGNITION, ADVANCED DEGREES

Candidates for graduation for the Master's or Ph.D. may be recognized with the Teaching Excellence Award or the Research Excellence Award.

The Teaching Excellence Award recognizes those who provided outstanding contributions in teaching undergraduate students while working toward a graduate degree.

The Research Excellence Award recognizes those with outstanding research accomplishments in a graduate program.

Honorees for both awards wear cardinal and gold honor cords and are noted in this program as follows:

§ Research Excellence Award

†† Teaching Excellence Award

SPECIAL RECOGNITION, UNDERGRADUATE DEGREES

Candidates for undergraduate degrees may be recognized for graduating "With Distinction" and/or graduating in the Honors Program. Levels of special academic achievement are indicated in the commencement program by Latin phrases, also known as Latin honors. This system is recognized internationally; however, the requirements vary among institutions. In the United States, Latin honors are most often awarded to those earning undergraduate degrees. Each academic institution sets its own standards and requirements for each honor.

At Iowa State University, candidates for graduation with distinction must have completed 60 semester credits of coursework at ISU at the time they graduate, including a minimum of 50 graded credits. Those graduating summa cum laude (with highest distinction) have earned a grade point average of 3.90 or higher; magna cum laude (with great distinction) have a grade point average of 3.70 to 3.89; or cum laude (with distinction) have a grade point average 3.50 to 3.69. Grade point averages are based on a 4.00 scale. In addition to the notation in the

commencement program, this recognition appears on the official transcript and diploma.

The University Honors Program is an individually planned program of study designed to provide greater depth and breadth of scholarship than the regular curriculum. Those graduating from the University Honors Program have designed and completed an individualized program of study, including an independent Honors Research Project, while earning a required minimum grade point average or better.

Students graduating with special recognition will wear a cord and/or medallion and will be noted in this program as follows:

*** Summa Cum Laude – with highest distinction
(cardinal and gold cord)

** Magna Cum Laude – with great distinction
(gold cord)

* Cum Laude – with distinction

GRADUATE COLLEGE STUDENT MARSHALS

Vignesh Suresh

Hometown: Coimbatore, India

Major: Mechanical Engineering

Prior to coming to Iowa State University, Vignesh had been drawn to the applications of theoretical concepts, which led him to undergraduate studies in mechanical engineering, a position with the Research and Development team of an automobile company, and now a Ph.D. in mechanical engineering.

Vignesh hit the ground running at Iowa State, publishing two research articles within his first year. One of his journal articles was chosen as the best paper of the volume and was featured on the journal's cover. Vignesh also received the Best Student Paper Award at the SPIE Photonics West Conference, which is a large meeting for optics researchers; the Graduate College Research Excellence Award; the Graduate and Professional Student and Senate Research Award; and the William and Virginia Binger Research Award.

During his years at Iowa State, Vignesh was active in several student organizations. He co-founded the Mana Telugu Association and served as its president, and he serves as vice president of the Mechanical Engineering Graduate Student Organization. These extracurricular activities did not prevent Vignesh from achieving a perfect 4.0 GPA at Iowa State. His academic excellence helped him secure an internship at Interdigital, a wireless communication company. This experience helped Vignesh prepare for a career as a researcher in industry.

University Escort: Dr. Beiwen Li, Assistant Professor in Mechanical Engineering

Maya Bartel

Major: Human Development and Family Studies

Hometown: Gresham, Oregon

Maya came to Iowa State after graduating Magna Cum Laude from Portland State University with a bachelor's degree in Community Health Education and Women's Studies. In 2019s, Maya earned a graduate certificate in Developmental and Family Sciences Research Design and Methods, and today she is earning a Master of Science in Human Development and Family Studies.

While at Iowa State, Maya has contributed to multiple research efforts spanning parenting education, substance abuse, data systems, child welfare, mathematics education, and mixed methods. She interned with the Office for the Vice President of Diversity and Inclusion's Gender and Sexual Diversity Initiatives and supported efforts to improve higher education for underrepresented students. Her work is documented in published papers, local and national presentations, reports, and briefs. Maya also led the Human Development and Family Studies Graduate Student Network

and Adoption Club, and she participated in her program's Diversity, Equity, and Inclusion Committee. She is a member of the North American Council on Adoptable Children and the National Council on Family Relations.

Maya's research interests include adoption and the adoptive family, qualitative research methods, and gender and racial identity development within families. Her master's thesis focused on transgender-parented families and advanced research on LGBTQ+ family life amid the COVID-19 pandemic.

Maya's long-term goal is to conduct research and work with families in the nonprofit sector. After graduation Maya will be pursuing her Ph.D. at Iowa State University.

STUDENT MARSHALS

COLLEGE OF AGRICULTURE AND LIFE SCIENCES

Megan Behrends

Hometown: Wiota, Iowa

Major: Agricultural and Life Sciences Education, Summa Cum Laude; Minor: Political Science

Megan is graduating with a major in agricultural and life sciences education – communications option and a minor in political science.

A leader and scholar, Megan was on the Dean's List every semester at Iowa State. She also served as president of both the Iowa Corn Growers Collegiate Club and the STARS Admissions Tour Guides. Additionally, she was a Cardinal Leadership Scholar, President's Academic Scholar, and peer adviser in the University Honors Program.

Megan enjoyed a full land-grant experience while on campus. As a student travel consultant for the college's study abroad office, she helped her peers pursue their study abroad dreams. She also translated science to reach various audiences as a communications correspondent for the Iowa

Nutrient Reduction Strategy. As an undergraduate research assistant in food science and human nutrition, Megan gathered and processed data on food waste.

After graduation, Megan will be pursuing a career within agriculture policy and trade organizations.

University Escort: Nate Dobbels, Academic Advisor

IVY COLLEGE OF BUSINESS

Camila Almeida

Hometown: Fortaleza, Brazil

Major: Business Analytics, Summa Cum Laude; Minor: Business and Technology Consulting

Camila is graduating summa cum laude with a major in business analytics and a minor in business and technology consulting. Camila is also a graduate of the University Honors Program.

During her time at Iowa State, Camila served as president of the Consulting Club and vice president of public relations for the Multicultural Business Network. She was also a member of Alpha Chi Omega. In 2019, she won the Global Impact Challenge at the ISU Innovation Prize, an annual entrepreneurship competition.

As an Ivy student, Camila worked as a student consultant and team lead for the CyBIZ Lab, providing consulting services to start-ups, non-profit organizations, and Fortune 500 companies. She also worked as a business innovation intern at EMC Insurance in Des Moines. In 2020, the

recruiting platform WayUp recognized Camila as one of the top 100 interns in the United States.

After graduation, Camila plans to pursue a career in analytics.

University Escorts: Dr. Wei Zhang, Kingland Faculty Fellow in Business Analytics and Associate Professor of Marketing and John Burnley, Professor of Practice in Information Systems and Business Analytics

COLLEGE OF DESIGN

Bethany Trang

Hometown: Germantown Hills, Illinois

Major: Graphic Design, Summa Cum Laude; Minor: Music

Bethany is graduating summa cum laude with a Bachelor of Fine Arts in graphic design and a minor in music.

While at Iowa State, Bethany was on the Dean's List and placed in the top two percent of her class every semester. She was a George Washington Carver Scholar and a member of the University Honors Program.

Bethany served as a peer mentor for the Design Collaborative Learning Community and the Design Studies 131 class, and as a Destination Iowa State team leader. She was also a violinist with the ISU Symphony Orchestra for three years and a student leader in the Salt Company and International Friendship Connection.

Bethany worked as a graphic designer for the ISU Study Abroad Center for the past two years and completed a video production internship with ISU Extension and Outreach.

After graduation, Bethany will move to Columbus, Ohio, to help launch the Capital Church and plans to get a job in video production.

University Escort: Celinda Stamy, Assistant Teaching Professor in Art and Visual Culture (Foundations)

STUDENT MARSHALS

COLLEGE OF ENGINEERING

Carissa Moyna

Hometown: Elkader, Iowa

Majors: Civil Engineering and Master of Business Administration, Summa Cum Laude; Minor: Sustainability

Carissa is graduating summa cum laude with a major in civil engineering and a concurrent Master of Business Administration, and a minor in sustainability.

Carissa was on the Dean's List all four years at Iowa State. She also received many awards and honors including the National Udall Environmental Scholarship; Iowa State MBA case competition best team and co-best overall performer, and Iowa State woman in STEM award.

Carissa also completed construction internships with Hensel Phelps in Honolulu, Hawaii, and Seattle, Washington, and with Clark Construction in San Diego. She also spent six months studying abroad at the University of Canterbury in New Zealand.

While at Iowa State, Carissa also demonstrated her leadership skills with the Society of Women Engineers, Saint Thomas Aquinas Church, the Green Energy Challenge and Engineers for a Sustainable World. Her proudest accomplishments at Iowa State were founding the Compost Team and starting Iowa State's first residential compost system at Frederickson Court.

Following graduation, Carissa plans to spend a year doing missionary work before returning to Iowa to start a compost business.

University Escort: Merry Rankin, Director of the Office of Sustainability

COLLEGE OF HUMAN SCIENCES

Tessa Mendoza

Hometown: Grimes, Iowa

Major: Kinesiology and Health, Summa Cum Laude; Minor: Psychology

Tessa is graduating summa cum laude with a major in kinesiology and health, a minor in psychology, and a certificate in computing applications.

Tessa embraced her Iowa State University adventure by combining excellence in academics with in-depth research experience, and internships in data science and sports analysis. Throughout her college career, Tessa has worked in the neurophysiology lab, collecting and analyzing data and presenting findings. Tessa is the principal investigator for a study on the effects of cognitive and peripheral fatigue on the performance of elite athletes. She co-authored a manuscript on the effects of education on the reporting of athletes' concussions, which is under consideration for publication by a research journal.

Having served as a teaching assistant for introductory ethics and medical ethics courses, Tessa also became certified as a nurse's aide and an EKG technician. She is a club volleyball coach, a children's ministry teacher, and an active member of several student organizations. Tessa is also a member of the Iowa State University President's Leadership Class, a George Washington Carver Scholar, and a James B. Morris Scholar. The Department of Kinesiology honored Tessa as the Winifred Tilden High Scholar and bestowed to her the Barbara E. Forker Leadership Award.

University Escort: Dr. Elizabeth Stegemöller, Associate Professor in Kinesiology

COLLEGE OF LIBERAL ARTS AND SCIENCES

Brenda Goh

Hometown: Singapore

Majors: Political Science and Psychology, Magna Cum Laude; Minor: Health Promotion

Brenda is graduating with magna cum laude with a double major in political science and psychology, and a minor in health promotion.

Brenda's extensive collegiate leadership experience includes serving as an international student ambassador, an executive board member of the Asian Student Union, and as a certified peer educator with the Iowa State Department of Student Wellness program. She is the recipient of an LAS Dean's High Impact Award for Undergraduate Research and an Iowa State University I-LEAD Scholarship, and she was a nominee for the Iowa State University Student Employee of the Year Award.

After graduation, Brenda plans to pursue a master's degree in public health, with a concentration in behavioral and community health sciences.

SENIOR CLASS COUNCIL

The mission of the Senior Class Council (SCC), a committee of the Student Alumni Leadership Council (SALC), is to benefit and unite seniors through events and services while promoting an understanding of the Iowa State University Alumni Association. The 2020-2021 Senior Class Council is comprised of students who are dedicated to recognizing seniors for their many achievements.

The Senior Class Council plans a number of programs for seniors including both Fall and Spring Senior Weeks, where seniors enjoy special tours and free food on campus; the Senior Package, a gift set that included

commemorative Iowa State items; Grad Breakfast, a chance for seniors to relax and enjoy a meal served by ISU faculty and staff; and the Senior Send-off, a year-end event for seniors at the ISU Alumni Center to celebrate seniors' transitions to being alumni! The events that SCC plans and co-sponsors are intended to be both beneficial and enjoyable for seniors.

For more information on SCC and SALC programs, please visit www.isusalc.org.

IOWA STATE UNIVERSITY ALUMNI ASSOCIATION

Cyclones Everywhere

Iowa State University alumni are more than 250,000 strong. And they are everywhere ... in all 50 states and 152 countries – a family united by the Cardinal & Gold. No matter if your adventure takes you far from the heartland or if you put roots down right here in Iowa, if you're a Cyclone, you're never really far from home.

Keeping graduates connected to Iowa State and each other is the No. 1 goal of the ISU Alumni Association. Through reunions, events, social media, and other communications, the Alumni Association is your one-stop-shop to re-engage with your university.

Here are six ways to continue your Iowa State adventure through the Alumni Association:

1. Connect with Cyclones everywhere through our local affiliate groups in more than 30 locations.
2. The ISU Alumni Center is your forever home. Stop by the Center (420 Beach Ave.) on your way to central campus; better yet, park at the Center and ride CyRide!
3. Take advantage of the Association's career resources, like resume reviews, webinars, blogs, and job-hunting tips.
4. Download the Iowa State Alumni App from the App Store or Google Play.
5. Stay connected with Cyclones everywhere through the online Alumni Directory – and don't forget to update your own information when you move or change jobs.
6. Become a New Grad Member of the ISU Alumni Association and receive discounts, invites to events, and more (www.isualum.org/newgrad).

THE HISTORY OF "THE BELLS OF IOWA STATE"

Iowa State University Library
Special Collections Department

James C. Wilson (1900-1995) was a member of Iowa State's English faculty from 1928 to 1931. He had to resign due to his lack of a Ph.D., and prior to his departure, he submitted a college song candidate for a song contest sponsored by the Iowa State Club of Chicago.

Jim and his wife, Alice, moved to Chicago where as he notes, "We (in addition to their two babies) had \$212 in cash from my last paycheck, our five-year-old Chevrolet, and the tent." He won first place with "The Bells of Iowa State," and the family was able to purchase a small cottage on Lake Michigan.

"When I wrote 'The Bells of Iowa State,' I thought then that it had much more depth and emotion than your basic football fight song," Wilson said. "Its continuing popularity leaves me very pleased, not so much because it's my own song, but because it has had such a good effect on those who have been touched by it." (The Iowa Stater, June 1983)
